DOCUMENT DEADLINES

Document deadlines vary by division. We encourage you to submit all required documents well in advance of the posted deadlines. For a complete list of document deadlines, see:

uoft.me/document-deadlines

Once we receive your application, we will send you an email acknowledgement, including full details on next steps in the application process.

ADMISSION REQUIREMENTS

Applicants who have attained a high level of academic achievement and who completely satisfy prerequisites will be considered for admission. The minimum requirements for consideration vary by program and admission category. All applicants are required to present a Grade 12 English course for admission consideration.

All programs have limited spaces and the selection process is competitive. Some programs require a supplementary application. For full details on admission requirements, see:

future.utoronto.ca/apply/requirements

Your Secondary School and Diploma must be recognized by the Provincial Ministry of Education. Refer to the Canada Education Council (CEC) website for a list of recognized schools.

For more information, visit uoft.me/apply or contact us at admissions@utoronto.ca.

UNIVERSITY TRANSFER APPLICANTS

Admission consideration is based on the overall academic record, with an emphasis on the most recent (or highest) level of study completed, and results in prerequisite subjects. Prerequisites must be completed at the Grade 12 level or at the undergraduate level.

Applicants are required to disclose and provide transcripts for all secondary and postsecondary level study completed.

Some programs do not consider applications from students who have previously attended a postsecondary institution. Be sure the program in which you are interested will consider your application.

Transfer credit may be granted for undergraduate studies completed at a recognized postsecondary institution. Details about the transfer credit process will be provided after an offer of admission is made. Prospective students should consult the website of their target faculty for more information.

Applicants who already hold a bachelor's degree from a recognized postsecondary institution can only apply to a different field of study. For instance, students who have completed a degree in, or have majored in, economics, management, commerce or business, cannot complete a Bachelor of Commerce or Bachelor of Business Administration at U of T. If admitted to a different program, these applicants will be granted a maximum of one year of transfer credits (five full credit courses). Individuals who already hold an undergraduate degree in Engineering are not eligible to apply for undergraduate studies at U of T Engineering.

Undergraduate degree holders who wish to take additional undergraduate courses, perhaps in order to qualify for graduate studies, may consider applying for non-degree studies. Please note that it may not be possible to register as a non-degree student in courses that are in high demand. Learn more:
